Volunteering

Promoting a Volunteering Culture

BCS Berkshire would like to encourage members to help make IT good for society by taking up volunteering opportunities available in the region. Have a look at our [website](#) for current volunteering opportunities or email us at volunteering.berkshire@bcs.org.uk if you represent, or know of an organisation that needs help, or have any other suggestions.

Can you help an artist-led gallery and studios in Reading?

[OpenHand OpenSpace](#) (OHOS) is an artist-led not-for-profit company based in Reading that fosters excellence in contemporary art and provides affordable studio and gallery space for artists. They need to upgrade their IT hardware when funds allow, and they're looking for help with this.

If you or your company can donate a laptop pc, printer/scanner or make a contribution to their hardware upgrade, they would love to hear from you. Contact Peter Driver - peter@ohos.org.uk.
