Plans

Activities the group are planning for 2023:

Planned Activity	
1. Renaming Group	We have requested that the Groups name be changed to reflect our target audience and to truly represent the architecture community and not a single subset.
1. Events	We will aim to hold at a minimum six hybrid or online events through the year
2. Conference	We will hold our 6 th annual conference in 2023 building on previous years successes
3. Other Activities	We will continue to support Architecture activities and initiatives within the industry
