

BCS Consultancy Specialist Group

Secretary's Report. September 2013

During 2013 we continued our partnership with the Institute of Consulting London Region for the joint staging of events. As with last year, the events staged have been successful and very well attended, and have provided numerous networking opportunities for Consultancy Group members, as well as offering a wide range of topics.

Our activities to reach our membership outside London include the BCS Consultancy Group on LinkedIn. The growth in membership of the Linked In Group has slowed in the last year, and as ever only a small number respond with their BCS membership number as required to join the group, having made their initial request.
