Access To Work

Access To Work is a government funded grant to help pay for practical support for those with mental or physical impairments in the workplace (including the home).

Funding is available for:

- support with managing mental health at work
- money to pay for communication support at job interviews
- BSL interpreters, lip speakers or note takers
- adaptations to vehicles
- taxi fares to work or a support worker if individual cannot use public transport
- a support worker or job coach to help in the workplace
