BCS Software Testing Specialist Group

Notice of Annual General Meeting

Notice is hereby given that the Annual General Meeting of the BCS Specialist Group in Software Testing (SIGiST) will be held on Wednesday 26th September 2018, 6:30 pm to 7:00 pm.

As there is no conference taking place the AGM will be by Webex. Details will be sent out before the date.

Agenda

- ❖ Welcome and Introductions
- ❖ Apologies for absence
- ❖ Reports
 - Chair
 - Treasurer
 - Standards committee
- ❖ Committee elections

We have recently had a number of committee members standing down and have consolidated a number of roles into a leaner committee structure. However, we do need some additional members and we are asking for volunteers to join the committee in general roles initially to help us to keep the SIGiST running in the future.

If you would like to apply please submit a short statement to support your nomination. This should be sent to the Secretary Phill Isles at phill.isles@bcs.org by 12th September.
- ❖ To consider any nominated business

Items for inclusion on the AGM agenda should be emailed to phill.isles@bcs.org. Additions to the agenda must be received by 12th September.
