1. Project Submission Information

You are required to submit a Professional Project at the appropriate level if you intend to finish either the BCS Level 5 Diploma in IT or continue on to BCS Level 6 Professional Graduate Diploma in IT. Please ensure that you have all of the necessary information about the project, including, Candidate Guidelines, P1 Form Authenticator Guidelines and P2 Form.

There are two stages to this process, firstly candidates are required to submit a project proposal and once this has been approved, candidates are required to submit a professional project.

2. Project Proposal Form

Please complete the project proposal form which can be downloaded from the BCS website

3. Submitting your Project Proposal

Your Project Proposal must be submitted in soft copy format only (in Word or PDF) via email to exams@bcs.uk. Please ensure you identify the attachment by including your name, reference number and the level of the project (either Diploma in IT or Professional Graduate Diploma in IT) in the email header. Please also provide details of the proposed project authenticator including their name, BCS membership number and attaching a copy of their CV.

4. Project Proposal Submission Dates

- 30 April (For September Examination Session)
- 31 August (For April Examination Session)

5. Professional Project Forms

Please complete the P1 form and submit with your project via email to exams@bcs.uk. Please ask your authenticator to fully complete the P2 form and return this with the project as above. Note that incomplete forms will be returned which may result in your project not being marked.

6. Submitting your Professional Project

Your Professional Project must be submitted in soft copy format only (in Word or PDF) via email to exams@bcs.uk. Please ensure you identify the attachment by including your name, reference number and the level of the project (either Diploma in IT or Professional Graduate Diploma in IT) in the email header. Please also provide details of the proposed project authenticator including their name, BCS membership number and attaching a copy of their CV.

7. Professional Project Authentication

The P2 form, must be completed by the authenticator who must be a BCS Professional Member (i.e. MBCS/FBCS) or an IT Professional (e.g. Manager, Supervisor or Tutor) with a minimum of 5 years' experience.

If the authenticator is not a BCS Professional, then they must submit a detailed CV to BCS along with the name of the candidate(s) for whom they are acting for. It is your responsibility to source a suitably qualified authenticator.

8. Professional Project Submission Dates

For candidates not in Mauritius

- 31 August (For September Examination Session)
- 28 February (for April Examination Session)

For candidates in Mauritius

- 31 July (For September Examination Session)
- 31 January (For April Examination Session)

Important:

You have two sessions (equating to 1 year) in which to submit your Professional Project from the session in which your Project Proposal was approved.

Should your project be marked as a fail, we will accept a further two resubmissions of your project, after which you will be required to submit a new proposal/project.

Please note that BCS reserves the right to scan the project proposal through anti-plagiarism software. We recommend you read the Fraudulent Activity and Plagiarism Policy.

Make sure you retain a copy of the project report and completed project forms.
