

International Engineering Technologist Application Form

Admission to the UK Section of the ETMF International Register of Engineering Technologists is open to Incorporated Engineers who have completed:

- at least **Seven years of Engineering experience since graduation**, including
- at least **Two years in responsible charge of significant engineering work**,
- and who are **undertaking relevant Continuing Professional Development (CPD)**.

This form, plus supporting documentation, must provide the Engineering Council UK with sufficient evidence of the achievement of these requirements that compliance with them can be quickly and effectively assessed and verified. Applicants should ensure they have read the accompanying guidance notes before completing this form.

Supporting Documentation

- **Engineering experience record** clearly details your personal responsibility and accountability
- **Organisation charts** which show your position in your company
- **Detailed CPD record** covering the last 24 months
- A copy of each of your **degree/diploma/certificate certificates**.

EC ^{UK} Licensed Member through which <i>Incorporated Engineer</i> title has been achieved

Checklist

(Tick all boxes to indicate documents are enclosed)

I have attached the following required items:

- Engineering experience record (this must be provided on the attached form)
- Organisation charts
- CPD record covering the last 24 months
- A copy of each of my degree certificates
- The application fee of £105.00

Declaration (required of all applicants):

The data controller in respect of data provided by you on this form is the Engineering Council UK. We will use your data in order to administer the ETMF International Register of Engineering Technologists; this includes:

- recording the sanctions applied to International Registrants in any economy in which the engineering technologist is registered, and
 - providing International Registration status information to any person or organisation (engineering organisation, regulatory authority, recipients of services, e.g. employer, client) having a legitimate need for seeking verification.
- Your data may be transferred to the organisations which are signatories to the Engineering Technologists Mobility Forum. Their names and addresses can be located on the EC^{UK} website.

By signing below you consent to the use of your data in this manner. You acknowledge that your data may be transferred outside the European Economic Area to countries which do not have data protection laws equivalent to those in the UK.
