Frequently asked questions

Who can apply for a retired rate?

You can apply for the retired rate if you have retired from employment.

How much does the retired rate cost?

For the latest fees, please visit [Retired member subscription | BCS](#)

There is a flat annual fee for all retired rate membership subscriptions. In order to maintain your professional registrations (CITP, RITTech, EC registration and FedIP registrations) an additional annual fee will be charged.

What if I am due to retire half way through my current subscription?

We can grant you the retired rate at any point in the year in which you retire. For example if you are due to renew in May and you are due to retire in December of the same year we will grant you the retired rate for your renewal in May.

I pay by Direct Debit, how can I ensure that the correct amount is debited from my account?

To ensure that the correct amount is deducted from your bank account, please return your retired rate application form to us by the 1st of the month prior to your renewal start date.
