

International Professional Engineer Application Form

Admission to the UK Section of the EMF International Register of Professional Engineers is open to Chartered Engineers who have completed:

- at least Seven years of Engineering experience since graduation, including
- at least Two years in responsible charge of significant engineering work,
- and who are undertaking relevant Continuing Professional Development (CPD).

This form, plus supporting documentation, must provide the Engineering Council with sufficient evidence of the achievement of these requirements that compliance with them can be quickly and effectively assessed and verified. Applicants should ensure they have read the accompanying guidance notes before completing this form.

Supporting Documentation

- Engineering experience record clearly details your personal responsibility and accountability
- Organisation charts which show your position in your company
- Detailed CPD record covering the last 24 months
- A copy of each of your degree certificates.
