# Background

- Last AGM October 2010
- One clear priority – re-engage with membership!
- Focus – events programme
- Get events happening again
- Priority – IT Professional of the Year – previously our flagship event – last happened Jan 2008!

# Actions delivered

- ITPoY delivered June 2011
- Student prizes back on agenda – QUB delivered, UU contact re-established
- Social and Technical events back on Calendar
- Website much better organised
- But.....

- **There is still more to be done!**
- Planning needs to be more advanced
- Many more contacts need to be re-established
- Events need to be scheduled ahead
- New Committee Post of Programme Secretary to take charge of this
- Now a look at the year's events....
