### Architecture Diagram

The screenshot shows the EMIS Web Health Care System interface. At the top, the browser title is "EMIS Web Health Care System - Partner Programm Test 05 - 28580". The patient information bar displays: "Active", "BAKER, George (Mr)", "Born 07-Mar-1949 (66y)", "Gender Male", "NHS No. 352 861 6659", and "Usual GP RIGHTCARE, My (Mr)".

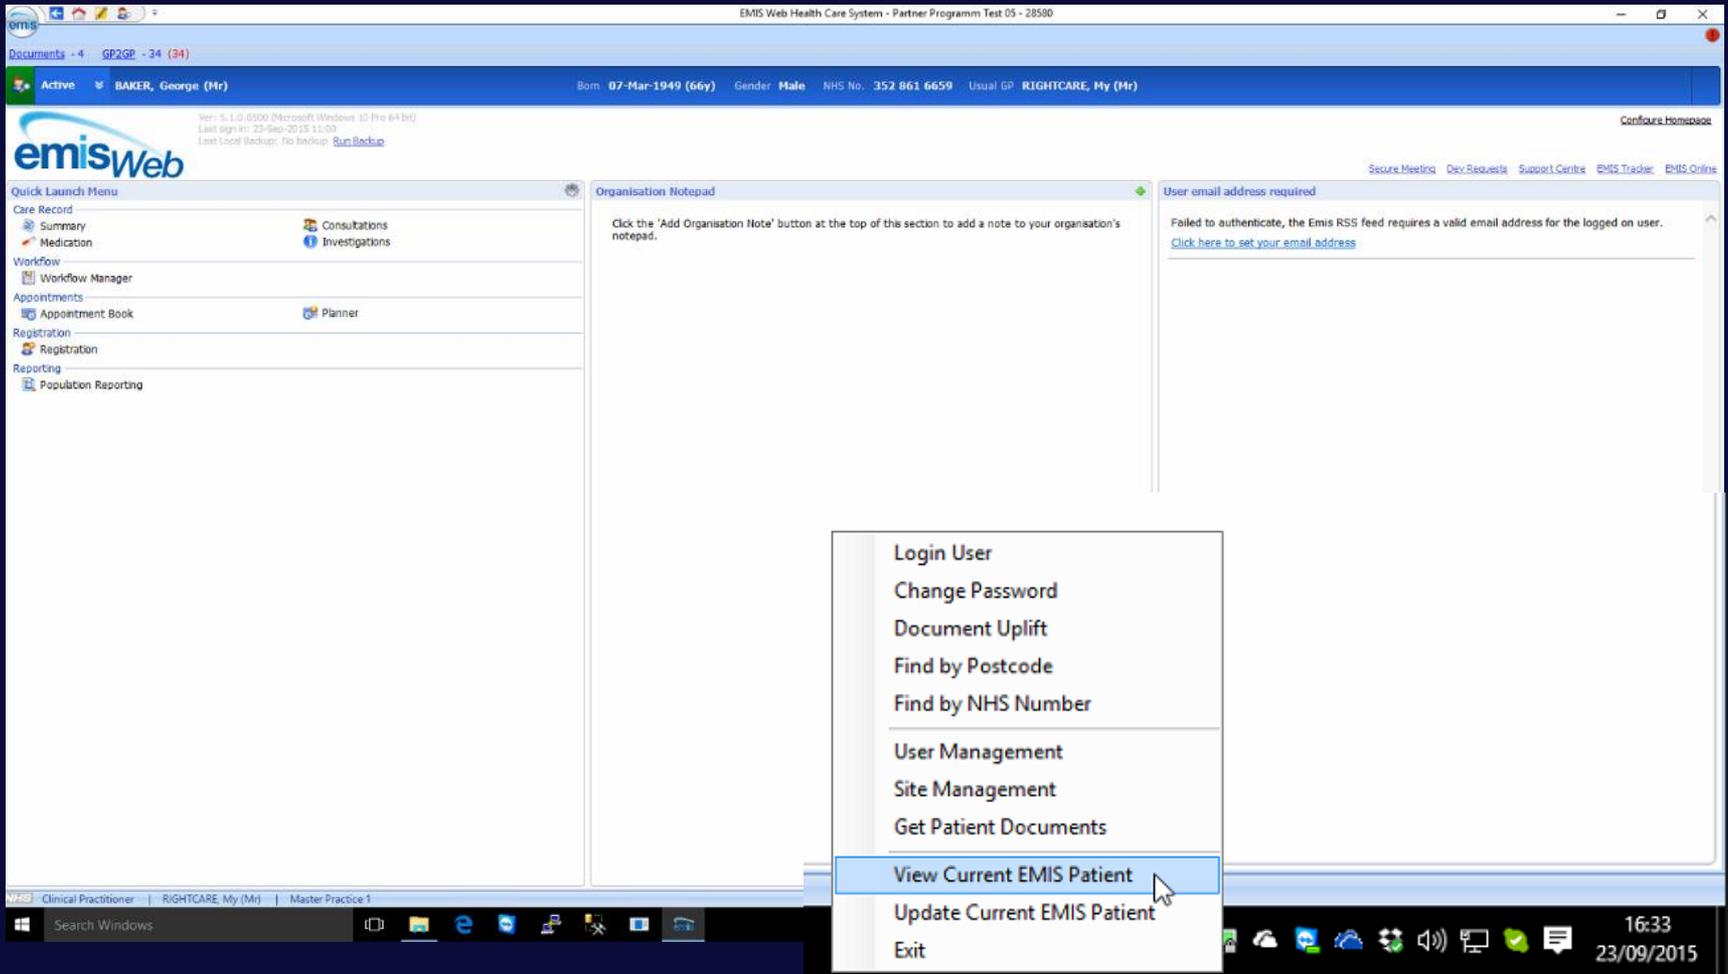

The main content area is divided into three sections:

- Quick Launch Menu:** A sidebar on the left with categories: Care Record (Summary, Medication), Workflow (Workflow Manager), Appointments (Appointment Book), Registration, and Reporting (Population Reporting). It also includes icons for Consultations and Investigations.
- Organisation Notepad:** A central panel with the heading "Organisation Notepad" and a message: "Click the 'Add Organisation Note' button at the top of this section to add a note to your organisation's notepad."
- User email address required:** A panel on the right with the heading "User email address required" and a message: "Failed to authenticate, the Emis RSS feed requires a valid email address for the logged on user. [Click here to set your email address](#)".

Below the "User email address required" panel is the "RSS Feed" section, which states: "No RSS feed defined. Click the Configure RSS Feed button at the top of this section to configure your RSS feed".

At the bottom right, a notification box from MyRightCare says: "Current Patient Record has a MyRightCare Plan".

The Windows taskbar at the bottom shows the search bar, taskbar icons, and system tray with the date "23/09/2015" and time "16:32".
