# PROFESSIONAL DEVELOPMENT PLAN (PDP) REACH YOUR CAREER GOALS

Of the many exclusive career services available to you as a member, the BCS Professional Development Plan is a key tool you'll use again and again to stimulate and steer your career progression.

It takes just a minute to create your PDP account – and it's cloud-based for quick access on all your devices.

The PDP tool helps you take control of your own professional development by planning goals, recording activities and documenting your progress.

Make a start by setting just a couple of personal objectives. You'll soon find you're reaching your first milestone – and building a holistic view of your professional development journey in preparation for that next promotion or job opportunity.

Kick start your progression by  
visiting PDP today.
