

SPRINGBOARD

YOUR PERSONAL CAREER CENTRE

How well do you understand your motivations in the workplace... or your personal resilience?

Are your negotiating skills second to none (and captured in an attention-grabbing CV with all your other key strengths)?

Bite size career management videos covering mentoring, job changes, performance appraisal tips and getting that promotion.

Resources and advice on self-development, work-life balance, skills recognition, starting a new internal role and more.

It's time to take control of your career destiny! Fortunately as a BCS member, you have Springboard - your personal career centre for interactive learning, assessments, advice and so much more.

Key features of Springboard are:

Soft skills e-learning including time management, mentoring, project management and Microsoft Office courses.

Tools for CV writing and building, interview simulator and a career planner to help track progress.

It's all waiting for you – log in to Springboard to get started.
