DEVELOP, INFLUENCE AND CONNECT WITH BCS

Balancing work and life commitments can be a challenge; however, it doesn't matter how much time you've got to spare, there are so many opportunities to grow as a BCS member.

✓ Develop your knowledge by reading the latest articles in the member newsletter or magazine, ITNOW, watch a webinar or even join in discussion on social media

✓ Share your knowledge and experience with other IT professionals by becoming a BCS mentor.

✓ Bring your management and influencing skills to the table by joining the committee of a group or even attend one of their many special interest or regional events which are held all over the country.

✓ Help support a good cause. Volunteering with BCS can help you make a positive impact on your local community – get active in local schools or businesses by volunteering for our STEM learning and digital literacy programmes.

BCS membership provides you with the unrivalled opportunity to connect with likeminded professionals and ensure that you are at the forefront of development in the areas you're passionate about.

Join to make your career in IT richer and more rewarding.
