

Welcome

Welcome to the BCS Berkshire branch newsletter for October 2020. We would like to say a very big thank you to all members who attended our AGM on 29th September. Due to the coronavirus pandemic, all our face-to-face events have been postponed until further notice. There are, however, some online IT events which may be of interest to you.

Online IT Events

The following are some online events happening in the next few months. Feel free to join and stay safe:

- Securing your cloud computing, Tuesday 13th October, Details and registration: <https://cheltglos131020.eventbrite.co.uk>
- Reading Geek Nights Virtual Talk & Pub Quiz Evening – Tuesday, October 13, 7 - 9 PM
Jim Anning will be giving a talk - 'Low tech photography. Cardboard, beer cans, sewing needles and vitamin c'. If you have never made a pinhole camera from a cardboard box, it's super-easy to do and oodles of fun. Jim recently embarked on his journey into analogue photography. He bought a job lot of darkroom stuff on eBay and built a working space in his house. Join us to see the fantastic results that can be achieved with a bit of light and chemistry!: <https://www.meetup.com/socialtechgroup/events/lvjzvrybcnrb/> or [web site](#)
