Dear Nick,

It's been three weeks since I last communicated with you about the dramatic impact of COVID-19 on our business. Sadly, since that time, we've all borne witness to how this insidious virus is impacting our families, our communities and our very way of life. What we're facing is daunting, but I am heartened by the moments of triumph in everyday acts of courage, humanity and love. Although these are trying times for us all, I remain optimistic that our world will thrive once again.

Today, I want to let you know how we're focused on supporting the communities where our associates live and work. I also want to provide you with an update on our room cancellation policy and Marriott Bonvoy status and points expiration dates.
