

Is remote working and video  
conferencing here to stay?

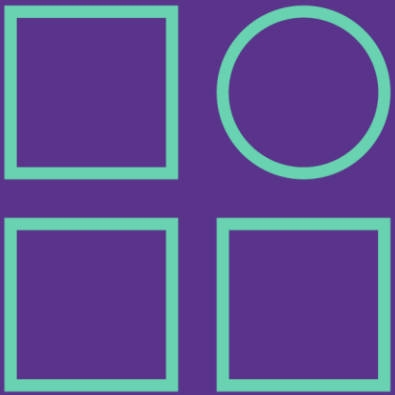

Stephen Curling – Regional Director

9<sup>TH</sup> February 2021

# Agenda

- How did businesses adapt to change and how easy was it to implement remote working?
- Have solutions been implemented based on technology rather than being based on the long term user requirements?
- How has the result of remote working and video conferencing impacted the culture of a business?
- What are the lessons that have been learnt and what is the future?
