@casmidlands

Snapshot

30,000 registered members at all educational stages.

400+ volunteer CAS Community Leaders

Academic lead partner in the National Centre for
Computing Education (NCCE)

Part of BCS – The Chartered Institute of IT.

Aims

Our vision: every child in every school has the right to a world-class computing education

Our purpose: to promote and improve provision in computing education

Our scope: vocational and academic education and training at all phases across the UK.

How can you help us?

Meet the future demands of the economy = triple the number of young people studying GCSE Computer Science + STEM subjects generally.

Ensuring those who are teaching computing are equipped to be able to do so properly .

Growing the grassroots support network in Stoke and Staffordshire.
