May 2025

Welcome

Welcome to the BCS Berkshire branch newsletter for May 2025. We hope to bring you more exciting events in the coming months. Keep an eye on [our website](#) for details and other news.

Reading Geek Night – Tuesday 13th May 2025; 7 pm – till late

Come along and grab a beer/food at the downstairs bar and come share your geekery and enjoy a relaxed evening of talks + networking + beers at Zero Degrees (9 Bridge St, Reading RG1 2LR).

It is a great opportunity for networking and discussions about technology, business, and advice. The next event will be a talk titled “*All aboard the Gadget Bahn*” by Richard Stephenson. Everyone is welcome. For details visit their [website](#) and [Social Tech meetup](#).

Can you help unlock the potential of Year 12 STEM students with a Summer Research Project?

SATRO's Research Work Placements (RWP) return for summer 2025 and we would love your organisation to be involved. We had a very successful programme last summer with support from Microsoft, University of Surrey, Legal & General & Air Products to name a few and we were able to offer around 75 placements. Is there a small research topic you feel they could support you investigate? Our feedback shows that working with the future workforce challenges perceptions of future recruitment focus – so why not get involved? For more information and how to join, visit : <https://www.satro.org.uk/satro-research-work-placements-b> or contact Jessica Richardson (*Mentoring and Careers Coordinator*) - Tel: 01483 688 070, Mob: 07736 067673, Email: jessica.richardson@satro.org.uk.

Request for Volunteers – BCS Berkshire Members

The BCS Berkshire Branch Committee would like to request volunteers from our members to support our school outreach programmes on the following date and venue:

- 9 July 2025 - Garth Hill School, Bracknell.

If you would like to help at any of these events, please get in touch with Chris Todd-Davies, BCS Berkshire STEM coordinator - chris@todd-davies.co.uk.
