

Hildi Franke Early Career Award

Call for nominations

The [Hildi Franke](#) Award is given for innovation and excellence in primary care computing and informatics. It recognises early career individuals who have made a contribution to the field through research, software development, service improvement, or other achievements.

"Early Career" is defined as five years or fewer of experience in primary care IT.

The winner will receive a certificate, a £150 prize, and publication of a summary of their work on the [Primary Healthcare Specialist Group's \(PHCSG\) website](#).

Applications close on **11th September 2026**. To apply, please complete [this application form](#).

In keeping with the BCS vision of using technology for the benefit of society, we encourage you to submit your work or nominate a colleague whose contributions deserve recognition.

For further information, or to discuss whether your work may be suitable, please contact chair@phcsg.org or richard.williams@phcsg.org.

The winner will be invited to present their work at the PHCSG annual conference on **12th November 2026** at the voco Oxford Thames Hotel, Oxford.

Even if you are not applying this year, we encourage you to attend the conference and free Education Day on **12-13th November 2026** to meet fellow practitioners, explore new ideas, and learn from previous prize winners.
