

Every day membership builds credibility

Organisational Membership of BCS brings benefits for both our organisation, and our digital professionals. It builds our credibility as a tech leader and demonstrates our position as an ethical standard bearer. It is there to inform, guide and support your career and to help you shape the future of our profession. **Every single day.**

- Full CPD programme with 3 FREE modules
- Future Tech Talent leadership programme
- An extended programme of exclusive member-only events
- A range of advanced professional development tools
- Series of essential ethical decision-making toolkits
- Curated industry insights and trusted reports
- Regular data reporting to ensure maximum value

As a professional member, you can also network, share and learn with our global community of 70,000 like-minded tech professionals.

Take the Lead.

your chartered institute. here for you every day.
