## Notes – All AI foundation pathway awards

### How does the pathway work?

Choose from 13 awards set within four key areas of AI:

- Business innovation
- Data
- Ethics
- Machine learning and other AI techniques

Each of the 13 awards is a qualification in its own right. By taking four awards, one in each key area, you'll gain a Foundation Certification in AI. Continuing further along the pathway, by taking eight awards, you can achieve a Foundation Diploma in AI.
